

## Let's spread good vibes not Covid!

Help keep each other safe by following these simple guidelines!

#1 – OLC Volunteers: wear a mask when interacting with Guests

#2 - Guests (vaccinated or not) please wear masks when:

- Interacting with OLC volunteers and sponsors
- Picking up packets at Packet-Pick Up
- Picking up food/refreshments at Rest Stops
- Riding in SAG vehicles
- Using Porta Potties (highly recommended 😂)
- Not riding and unable to maintain a safe social distance

#3 – All, sanitize hands to reduce obtaining/spreading germs

#4 – All, socially distance where possible. The Covid Delta variant is highly contagious per the CDC regardless of vaccination status.

**LET'S Keep our One Love Family Safe!**
