

## Parking at the One Love Century

Parking can be one challenging task at any large event, but we have a team with a plan to park you as quickly as possible!

With that said we ask for your cooperation and have a few messages to convey:

- We are limiting parking on the school grounds to registered guests, sponsors, and vendors only!
- Please carpool where possible. Carpooling helps to expedite parking and is environmentally friendly.

- Please maintain a positive vibe. Stay calm and follow the parking attendant's direction. They'll park you as quickly as possible so you can get checked-in and ready to ride!

**One Love!**
